

London 2020 Newsletter No. 3: 22 Nov 2018

An agreement has been reached with the FIP for patronage for London 2020; it is expected that this will be formally signed in Bangkok on 2 December 2018.

The application forms and IREX are now finalised and can be accessed from the website. [Download Entry Forms](#)

Most FIP affiliated federations have now appointed national commissioners: see the [list](#) on the website.

All federations have been invited, but there are a handful who have not yet responded. If you live in one of these countries and wish to exhibit, please contact your federation.

One exciting innovation at London 2020 is its support for literature. As well as printed literature, there will be a class for digital literature. The fee has also been set at a low cost, and only one copy is required. If you do wish to exhibit in this class, kindly note that the literature details form also needs to be completed.

Best wishes,
